

Live Lifestyle Medicine/Eugene Plant Based

Providers will have a table at next month's Share Fair, to be held Saturday November 15th from noon- 4 p.m. at the First United Methodist Church (12th & Olive). Eugene Plant Based Providers members chef Trish Kingsbauer, pediatrician Amy Kinkel, and RN Debby Coulthard are happy for this opportunity and will be at our table.

The Share Fair is a community effort to connect people with free resources, services and each other, mainly to serve the unhoused and working-class members of our community.

The Fair has a list of needed supplies. Would you please consider donating one or more of the listed items?

Here's a link to see the list of needed supplies and where/how to donate them.
