

# ***Sense and Non-Sense in Plant-Based Nutrition***

Michael Klaper MD is a gifted clinician, internationally recognized teacher, and sought after speaker on diet and health. Dr. Klaper has a new book and will be book signing after his presentation and Q&A session.

Come join the discussion - it will be educational and potentially life saving!

And while donations are accepted...it is free for all to attend!

**Monday, May 4th, 2026**

**7:00pm - 8:30pm**

**Springfield High School Auditorium  
875 7th. Street,  
Springfield, Oregon**

Supported by the Eugene  
Plant-Based Providers
